Summer 2022

Dear Lovely Reader,

It was great to hear from somebody who had visited Sóller, one of the main settings in the *Butterfly and the Bear* and receive their feedback in relation to the descriptions in the novel 😊. It is a lovely town.

Sóller is a town and municipality near the north west coast of the Balearic Island of Mallorca, Spain, 3 km inland from Port de Sóller, in a large, bowl-shaped valley that also includes the village of Fornalutx and the hamlets of Biniaraix and Binibassi. The population is around 14,000.

New children's book

I am pleased to announce the publication of my second children's book, *Fern*. Like the *Dragon on the Hill*, this story is in the form of a poem and wonderfully illustrated by the talented Caryn Noad who as ever, has hidden a number of little gems within the pages for you and your children to find. *Fern* is available in several independent book shops throughout East Anglia or of course through my website www.littlebearpublications.co.uk.

Novels

Being full of words as opposed to wonderfully colourful illustrated pages, it is more difficult to persuade a bookshop owner to assign time to read a novel, like it and then agree to put it on their shelves. It's reviews you need and to this end I'm looking for some avid readers or book clubs who would be happy to read one of the novels, provide that valuable feedback to add to those reviews already out there. Please message me if you'd be interested.

** Promotion **

Also, whilst stocks last, I shall be happy to include a copy of *If-ish*, that little poetry book, or the soft back version of *The Dragon on the Hill* with the purchase of either novel.

Visit www.littlebearpublications.co.uk to order your copies.

Let's talk

Lastly and most importantly I love to hear from my readers so please do feel free to contact me with any comments or questions. I'm particularly keen to hear from those of you who have read *The Butterfly and the Bear* and/or *Vanessa* to learn which of the characters story you'd like to hear next. Or of course please feel free to follow me on social media.

Kind regards

Gary
